

# Grading and Completion Criteria

## Requirements and Grading criteria for Certificate Recipients Only

The course is organized in 6 one-week modules. Each week is broken up into an introduction, and 6 to 9 lessons. The lessons and their respective assignments and discussion components will require daily dedication of about 2 hours in your most convenient schedule. Upon the completion of all requirements listed below, you will receive a certificate.

To participate in this delivery, please acquaint yourself with its structure, and refer to the user guide (edX Learner's Guide) for how to use the edX platform.

If you encounter any technical difficulties, please send a message to us in the Discussion section where a special topic Troubleshooting is established for your convenience. If you email your questions to our Teaching Assistant, please include the course name and a clear description of the problem.

Please get started on Week 1's videos as soon as you are ready. Please also visit the Discussion Forums, and start discussion threads on topics you find useful over the coming six weeks.

For successful completion of the course, you need to complete all activities satisfactorily.
